Chief Administrator Officer
Hidalgo County Health and Human Services
1304 S. 25th St.

Dr. Mr. Olivarez,

We would like to thank you for the allocation of space at the Pharr Health Clinic for the Salud y Vida program. This program has been able to serve thousands of people and helped over 70% improve their control of diabetes.

As we go into 2018, with great hope that the 1115 Waiver will continue, we would like to respectfully request that we continue to be able to have office space in the Pharr Health Clinic. We will continue serving patients in Hidalgo County with the Salud y Vida program and in fact are planning to expand the services to not only address diabetes but other chronic health conditions as well.

Yours sincerely,

Belinda Reininger, DrPH
Professor of Health Promotion and Behavioral Sciences
