Commissioner Palacios,

We have completed our review of the bid package and analysis that was included with the County of Hidalgo letter dated October 27, 2017 and do concur with awarding the contract to Texas Cordia Construction, LLC with their low bid amount of \$9,142,335.55. The County of Hidalgo may now award the contract and move forward with construction operations.

Carlos Ceballos, P.E. out of the Pharr Area Office will continue to serve as our construction project manager and your point of contact from this point forward. Please work directly with him to ensure all requirements are met for you to receive the federal/state funding participation outlined in the Advance Funding Agreement. In addition, and as a reminder, the local government construction procedures that the County of Hidalgo will need to follow can be found at <http://www.txdot.gov/government/processes-procedures/lgo-toolkit.html>.

If you have any questions, feel free to call me or our Advance Project Development Supervisor/District RMA Liaison, Norma Y. Garza, P.E. at (956) 702-6180.

Sincerely,
