Jane, good afternoon,

I'm working on scheduling the 2018 blood drives at The Hidalgo County Courthouse/Hidalgo County Administration Building. As you may already know, we would like to schedule blood drives at least 3 months out, to make sure we'll have all the necessary resources.

I'm using the same criteria from the 2017 blood drives.

The requested dates are as follow:

**Hidalgo County Courthouse**

Thursday, February 15th

Thursday, July 12th

**Hidalgo County Administration Building**

Thursday, June 21st

Thursday, November 8th

The hours at both locations will be 10:30am – 2:30pm (UBS Mobile unit for both locations)

I hope these dates could work for you as well as to the respective offices.

If there are any other dates that you think could more potential, please let me know, I'll be happy to better accommodate both locations.

Thanks again for al your support, as I look forward to hearing from you.

Respectfully,

**Roberto Repreza**
