Judge Ramon Garcia
Hidalgo County Judge
Edinburg, Texas

Dear Judge Garcia,

The RGV Hispanic Chamber again hosted a successful "South Texas Senior Summit" last April. Well it's that time again. If you recall, the Hidalgo County commissioners agreed to sponsor \$2,500 to help with the expenses of putting on this wonderful free event that assists the senior community in the Rio Grande Valley with free Medical Screenings and free informational booths of services that are provided to the seniors from the county, state and federal agencies. Naturally there were several county departments that attended the Summit and had booths like the Veterans Dept., County Immunizations, etc.

We have successfully grown our Senior Summit from 75 people to 850 people last year. Seniors came from all over the Valley. Everyone got free screenings, free information, snacks, lunch and door prizes.

We would like to ask the Hidalgo Commissioners Court if you could again assist us with a \$2,500 donation to help with the rental fee of the Boggus Event Center. You would be considered as a co-Sponsor and would have your name on all printed materials and press releases.

Please advise if we can count on your support again this year and if you need additional information and/or have any questions.

Regards,
