Damian,

I don't see the REQ in ALIO or did you mean approve the proposal.

In that case I approve!

- Thanks!

Renan,

Attached, is the copier proposal from Ricoh. I ask that you review and approve the requisition at your earliest convenience. I also would like to schedule someone to come out to the 332nd District Court office for the installation of network cables where the new copier will be placed.

Thanking you in advance for your assistance.
