Subject: R Communication

Good morning Ms. Sullivan,

I have been advised that R Communication will be selling their company. We will be working on an agenda for the 20th of February but are in need of the following information in order to proceed;

1) Will R Communication be selling all assets to new company including contracts, accounts receivable etc? I will get you an answer from R. Communications.

2) Will Commissioner's Court still be broadcast on Thursdays at 9:00 p.m.? R Communications will continue to broadcast Commissioners Court until it's sold. The new owners may or may not continue the current programming schedule.

3) Has company expressed a discount to current contracted pricing? Yes. R Communications is offering a discount due to technical difficulties on Ch. 38.2, that has caused a disruption in the airing of our meetings. There has been no disruption of service on Cable Ch. 10 (KMBH-TV). Please see attached.

I await your response to proceed with an Agenda.

If any questions, please let me know.

Thank you.
