The B2Z revised contract is OK. With respect to the interlocal what is “new road construction”? Is it reconstruction , overlay, etc?

Steve,

As requested, attached please find page 1 of the contract including the limits of Las Milpas Road that will be worked on for your final approval of the contract.

In addition, I have attached the draft Interlocal Agreement for your review and approval, as it is on tomorrow's agenda as well for approval.

Please advise.

Thanks,

Erika Zamora

It will be an extension of las Milpas road between 10th St and McColl Rd but all Las Milpas Rd.

I will also need an interlocal agreement with City of Hidalgo for this project for new road construction and drainage improvements. The project is 485 LF within the City of Hidalgo and 5287 within the county. City of Hidalgo will not be contributing to the project.

Let me know if you have any questions.

My cell# is (956)607-7640 just in case you need info now.

Thanks

Good afternoon Steve,

Attached please find an engineering contract with B2Z engineering for the Pct 2 Las Milpas Rd (10th St-McColl Rd) Project.

The engineer was ranked on last weeks agenda and we will be placing an item on Tuesdays agenda for approval of the contract.

Please review and let me know if you approve.

Respectfully,

Erika Zamora
