Counselor Josephine:

This will summarize our telephone discussion about this e-mail earlier this week. You reviewed all documentation and confirmed that item should be placed on HCCC for official name change and that new company would remain under the sole source designation. Please confirm or correct.

Thanks,
Marty

Subject: Fwd: COPSync sale documents for your review.

Counselors:

We need your assistance. HC had declared COPSync a "sole source" some time ago [see attachments]. However, IT asked that a new company fill out a vendor application form and user departments began to submit requisitions under the name Thinkstream under the premise that CopSync was "bought out" by Thinkstream. We are not process submitted requisitions that indicate "continuing services" procured originally under COPSync. We have also provided additional information for your review and comment as to how to move forward.

Yours truly,
Marty Salazar
