Re: Request of extension of time to obtain NOI for Citizen's Collection Station at Hidalgo
County Precinct 1 Sunset Park

Ms. Willis

Hidalgo County Precinct # 1 received a Notice of Noncompliance with a Commission Order (Docket No. 2014-1094-MSW-E) dated February 9, 2018 indicating we had failed to comply with an ordering provision requiring a submittal of an application for a Notice of Intent (NOI) to operate a Citizen's Collection Station. The station will continue to be used by our residents. An NOI application will be submitted to TCEQ MSW Permits Division for the Hidalgo County Pct. 1 Sunset Park Citizen's Collection Station (RN107448920) within the 30 days of the date of the letter. However, we are requesting an extension of 180 days from the date of the letter for MSW Permits Division to approve the NOI.

Please contact me at 956-383-0111 or martin.ramirez@hchd.org regarding this submittal.
