Yes, however Robert Vina and I would need to review prior to posting, to ensure that the RFP/Q permit/allows the use of a "pharmacy benefit manager/third party administrator" and considers that the County may sign an agreement for the purpose of effectuating the underlying service.

Ms. Sarmiento,

As you are aware, our office has been undertaking ongoing negotiations related to the County Indigent Health Care Level 2 Pilot Program Service Contract with HEB (MedImpact). To date, HEB has not executed the agreement. As such, our office recommends that any pending invoices be paid as claims and, until a final agreement is reached, cease to refer any other eligible clients for services under the pending agreement.

respectfully,
