Good morning.

The spec's look good. Just make sure that legal puts in the wording which allows the vendor to use a pharmacy benefits software. If legal has any questions, they can call me or Lulu.

Thanks.  
Dairen

Hi Dairen:

Were you able to take a look at the specs? I need to make sure that they are approved by you before I send them to legal for review and approval. Please advise.

Thank you,

Heidi
