SERVICE FEE

By submission of a response to this Proposal Invitation, an awarded Vendor under this Proposal Invitation must pay the Cooperative a service fee in the amount of **\$400 per purchase order** generated from any contract awarded to Proposer under this Proposal Invitation for **all vehicles, including cab, chassis and options**. **This fee is NOT to be included in the vehicle and options pricing for the purpose of this proposal**; however, it must be shown as a line item price on the individual quotes to the purchaser.

An awarded Vendor under this Proposal Invitation must pay the Cooperative a service fee in the amount of **2% per Purchase Order for parts and repair/service labor** generated from any contract awarded under this Proposal Invitation, and **the service fee IS to be included in the price of parts and repair/service labor**.

Proposer agrees to pay these service fees and remit the fees to the Cooperative in Austin, Texas, promptly upon receipt of each fee invoice. Proposer agrees to provide the Cooperative with copies of all Purchase Orders generated from Proposer's contract(s) that Proposer receives directly from Cooperative members for the purpose of billing and collecting the service fee and for compiling required purchasing history. Proposer further agrees that the Cooperative shall have the right, upon reasonable written notice, to review its records pertaining to purchases under any awarded contract to verify the accuracy of service fees payable by Proposer.

CONFIDENTIAL INFORMATION

Any information submitted by Proposer that Proposer considers to be confidential must be clearly identified as such on the Confidential/Proprietary Information Form.

ADDITIONAL INFORMATION

An awarded Vendor must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation should submit an approval letter from each manufacturer. Manufacturer authorization letters must include the regions in which equipment may be sold. An awarded Vendor in Texas must have a Franchise Motor Vehicle Dealer Certificate from the Texas Department of Motor Vehicles. If Vendor proposes to serve states other than Texas, Vendor must have any and all licenses or certificates, including franchise motor vehicle dealer certificates or licenses required by each state the Vendor proposes to serve. Proposers responding to this Proposal Invitation should submit a copy of their dealer certificate(s) and/or license(s).

All vehicle fees to be charged for any purchase from this contract with the exception of **delivery fees** (i.e. pre-delivery inspection, make ready, State of Texas inspection, and manufacturer destination fees) are to be included in the base price(s). Vehicle fees not included in the base price(s) will not be permitted. The Cooperative service fee for vehicles is not a "vehicle fee" and is not to be included in the base price. **Dealer Floor Plan and Lot Insurance** costs will only be allowed for inventory vehicles at the dealer location and/or vehicles scheduled for upfitting by the dealer. These Floor Plan and Lot Insurance fees **shall not** be included in the price of a vehicle for the purpose of this proposal, but **must** be listed separately as a line item price on individual quotes for any potential Cooperative member purchase.
