Mr. Ochoa, good afternoon. Hope you're doing well. I have attached a letter indicating that it is ok for you to use "Aguinaga SR" as a name for the private road. Note that the name is spelled with an "n" and not with an "ñ". If residents are ok with using the name with "n", then you could continue with the process to name that road, otherwise, then they would need to propose other names for the road.

Once the process is completed, please forward the appropriate documentation to us so we could proceed to insert the road into our 9-1-1 map & database.

Please feel free to contact me if you have any questions.

Kindly,

Jose L Hernandez

Subject: Re: CR 3122 / valid road?

Good Morning Mr. Hernandez,

Please be advised that CR 3122 is actually a private road. The precinct had a resident come in that wants to name it as a service road. Her name is Janet Anuinaga and can be reached at (956) 414-5243. The residents that live on this private road came up with three names and we wanted to ensure they do not conflict with any names currently in existence. The following are the names Ms. Aguinaga provided:

- 1) Manuel Aguinaga SR
- 2) Aguinaga SR
- 3) Manuel Juanita Aguinaga SR

In speaking with Ms. Anuinaga, the would prefer number two over number for their number one choice.

Can you please research and provide guidance on this service road for 911 purposes. Please feel free to call me with any questions or concerns. Attached are some documents of the area in question. Thanks.

Subject: Re: CR 3122 / valid road?

Good Morning Mr. Hernandez,

Upon looking at some of the deeds for CR 3122, it is not dedicated to the county. Attached are some deeds where it shows this road as a 15 foot private road easement. Please contact me if any additional information is needed or if you have any questions or concerns. Thanks.

Subject: CR 3122 / valid road?

Mr. Ochoa, good morning, hope you're doing well. We received a request for an address for PID # 241173 (circled in green), however, we don't show a dedicated road going into those properties. The customer says that the road going in is CR 3122. Can you confirm if this is correct, and if it is, where does it start and where does it end?

Below is the picture of the place, circled in light blue is where the road is.

I would greatly appreciate your assistance on this matter.

Thank you!

Jose L Hernandez

The screenshot displays the Hidalgo County Basemap web application. The main map area shows an aerial view of a rural landscape. A yellow line highlights a road labeled "COUNTY ROAD 3122". Other roads visible include "NSKINNER RD" and "FM 2812". The County of Hidalgo logo is positioned in the top left corner of the map area. The interface includes a search bar with the text "Enter address", a "Basemap" button, and a "More..." button. A scale bar in the bottom left indicates "400 ft" and provides coordinates: "98° 02' 21" W 26° 22' 03" N". The ESRI logo is in the bottom right corner.
