Good afternoon Marty,

Per our discussion earlier, I am attaching a copy of the invoice along with delivery tickets from Verizon for your review. Emergency Mgmt Dept. requested and got approval from CC for an ipad but were unable to use it for its intended use. The item was returned and they requested and received a different ipad at a higher price. Can the new item be placed through court? If not, can you please direct the department on how to proceed in order to get this item paid?

Please let me know if you need any additional information.

Thanks for your help,

Elizabeth
