Good morning Heidi.

At this time we have decided not to offer the prescriptions services to our Hidalgo Blue Program clients due to the issues we were having with the previous contract. We are requesting to re-bid the services next month so that we can hopefully get more vendors to choose from. We would like to start these services for our next fiscal year which starts 9/1/18. I will return the RFP that we picked up with the runner this afternoon.

Please contact me if you have any questions. Thank you for your assistance with this project. Have a good day.

Respectfully submitted,
