

**2. Non-Exclusive Services of Engineer.** Hidalgo County reserves the right to request these services from other sources other than the Engineer and shall not be in violation of any terms or conditions of this Agreement.

**3. Term.** This Agreement is for a period of **one (1) year**, effective May 22, 2018, and will expire May 22, 2019 or unless sooner terminated as provided herein. The Engineer will not begin to work or incur costs until authorized in writing by the County with each "Work Authorization" particularly described in Exhibit "D".

**4. Compensation.** As consideration for rendering the Services provided for in this Agreement, the County agrees to pay the Engineer the amounts specified in Exhibit "C" attached hereto payable against written invoice submitted by Engineer. The maximum amount payable under this Agreement shall not exceed the amount for each work authorization unless an amendment is executed as provided hereinafter. The Engineer shall submit periodic requests for payment within (30) thirty days after completion of each Work Authorization. The request for payment shall be made using forms acceptable to the County and shall show the total amount earned to the date of submission and the amount due and payable as of the date of the current billing. Upon receipt of said request for payment, County shall submit a requisition for payment for said Services in the customary manner provided for payments utilized by Hidalgo County, Texas. Engineer agrees to separately account for the receipt and/or expenditure of funds received pursuant to this Agreement and to keep accurate books and records of all such receipts and/or expenditures. All payments to Engineer shall be mailed to the address shown in numbered paragraph 24 herein.

**5. Inspection of Work.** The County has the right at all reasonable times to inspect or otherwise evaluate the work performed hereunder and the premises in which it is being performed. If any inspection or evaluation is made on the premises of the Engineer, or of a subcontractor, the Engineer shall provide and require its subcontractor to provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay their work.

**6. Amendments.** If it becomes necessary at any time during this Agreement to change the scope of Services, the Agreement period, the maximum amount payable, the complexity, or the character of this Agreement, an amendment shall be executed by use of a (Supplemental Agreement Form) more particularly described in Exhibit "E" within the agreement. The County retains the right to reject any such amendment proposed by the Engineer. Any such amendments shall be made in writing, agreed to by all parties hereto, and duly executed before the end of the Agreement as specified. If the County finds it necessary to require changes in completed work because of errors made by the Engineer, the County shall require the Engineer to correct the work at no cost to the County and without amendment to the Agreement. If the changes are made at the request of the County and are not due to errors of the Engineer, the County will reimburse the Engineer for the additional work at the same rate of pay established in Exhibit "C," "Engineer's Rates." If payment for the additional work will cause the maximum amount payable under this Agreement to be exhausted, an amendment shall be proposed in accordance with all State procurement laws.

**7. Reporting.** The Engineer shall promptly advise the County in writing of events which have a significant impact upon the Agreement, including:

- a. Problems, delays, or adverse conditions which will materially affect the ability to meet time schedules and goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accompanied by a statement of the action taken, or contemplated and any County or, if Federal Funds are involved, Federal assistance needed to resolve the situation.
- b. Favorable developments or events which enable meeting time schedules and goals to be met sooner than anticipated or which are producing more work units than originally projected.

**8. Ownership of Documents.** Upon completion or termination of this Agreement, all documents prepared by the Engineer or furnished to the Engineer by the County shall be delivered to and become the property of the County. All sketches, photographs, calculations, and other data prepared

under this Agreement shall be made available, upon request, to the County without restriction or limitation on their further use. The Engineer may, at its own expense, have copies made of the documents or any other data furnished to the County under this Agreement.

**9. Suspension of Work.** Should County desire to suspend the work under this Agreement, but not terminate this Agreement, the County shall provide thirty (30) calendar days verbal notification to Engineer, followed by written confirmation from the County to Engineer to that effect. The thirty-day notice may be waived as agreed in writing by both the County and Engineer to that effect. The work under this Agreement may be reinstated and resumed in full force and effect within sixty (60) days of receipt of written notice from the County to the Engineer. The sixty-day notice may be waived as agreed in writing by both the County and Engineer. If the County suspends the work, the Termination Date as identified above is not affected and this Agreement will terminate on the date specified.

**10. Progress and Coordination.** The Engineer shall, from time to time during the progress of the work, confer with the County. The Engineer shall prepare and present such information as may be pertinent and necessary, or as may be requested by the County, in order to evaluate features of the Engineer's services and work.

At the request of the County or the Engineer, conferences shall be provided at the Engineer's office, the offices of the County, or at other locations designated by the County. These conferences shall also include evaluation of the Engineer's services and work when requested by the County.

All applicable study reports shall be submitted in preliminary form for approval by the County before the final report is issued. The County's comments regarding the Engineer's preliminary report will be addressed by the Engineer in the final report.

If funds by other agencies or entities are to be used for the development of the project under this Agreement, the Engineer's Services and work will be subject to periodic review and approval by other agencies or entities, including those of the city, county, state and/or federal agencies.

Should it be determined that the progress in the production of the Engineer's Services and work does not satisfy the requirements of the approved Work Authorization as provided by Exhibit "D",

attached hereto, the County shall review the approved Work Authorization with the Engineer to determine the corrective action needed by either the County or the Engineer.

The Engineer shall promptly advise the County in writing of events which have a significant impact upon the progress of the Engineer's Services and work and the approved Work Schedule, including:

- a. problems, delays, adverse conditions which will materially affect the ability to attain Agreement objectives, prevent the meeting of time schedules and goals, or preclude the timely completion and submittal of Project deliverables by the Engineer within established time periods; this disclosure will be accompanied by a statement by the Engineer of recommended or immediate action taken, or contemplated, and any Owner or other agency or entity assistance needed to resolve the situation; and
- b. favorable developments or events which enable meeting the Work Schedule goals sooner than anticipated.

**11. Independent Contractor.** Engineer must comply with all applicable Hidalgo County policies and with any applicable federal, state or local laws, regulations, orders or ordinances applicable to the Services provided by Engineer under this Agreement. Notwithstanding the foregoing sentence, Engineer represents and maintains that it is an Independent Contractor and is not an employee of Hidalgo County, Texas or any agency thereof, and represents and warrants that it does not desire or request any fringe benefits provided to employees of Hidalgo County, Texas, and/or any agency thereof, including, but not limited to benefits associated with Hidalgo County's civil service program. Engineer agrees to be responsible for any federal income tax, withholding or social security tax liability that might arise from payments received hereunder.

**12. Subcontracting and Assignment.** The Engineer shall not assign subconsultant or transfer the Engineer's interest in this Agreement without the prior written consent of the County. The Engineer shall bind every subconsultant by written agreement to observe all the terms of this Agreement

to the extent that they may be applicable to each subconsultant. No subcontractor relieves the Engineer of any responsibilities under this Agreement.

**13. Voluntary Termination.** County may terminate this Agreement at any time for any reason or no reason at all upon giving thirty (30) days prior written notice to the Engineer.

**14. Insurance.** Engineer agrees to provide liability insurance covering its activities in providing the Services for County in an amount not less than the minimum amounts prescribed by the Texas Tort Claims Act, §100.001, et seq., Texas Civil Practices and Remedies Code, and shall furnish County a certificate issued by the insurer that such insurance is in full force and effect.

**15. Payment of Franchise Tax.** The Engineer hereby certifies that the Engineer is not delinquent in Texas franchise tax payments, or that the Engineer is exempt from, or not subject to, such tax. A false statement concerning corporation's franchise tax status shall constitute grounds for termination of the Agreement at the sole option of the County.

**16. No Assignment.** Except as otherwise herein provided, Engineer may not assign the obligations or rights under this Agreement to any person without the prior written consent of County.

**17. Conflict.** Nothing in this Agreement shall be construed so as to require the commission of any act contrary to law, and whenever there is any conflict between any provision of this Agreement and any present or future law, ordinance or administrative, executive or judicial regulation, order or decree, or amendment thereof, contrary to which the parties have no legal right to Agreement, the latter shall prevail, but in such event the affected provision or provisions of this Agreement shall be modified only to the extent necessary to bring them the legal requirements and only during the time such conflict exists.

**18. Termination by County.** If Engineer fails to deliver quality Services, fails to achieve the defined goals, outcomes, strategies and outputs required by County, or if Engineer fails to comply with any conditions in this Agreement, then County shall have the right to terminate this Agreement upon the giving of ten (10) days prior written notice to Engineer.

**19. No Waiver.** No waiver by County of any breach of any provision of this Agreement shall be deemed to be a waiver of any preceding or succeeding breach of the same or any other provision hereof.

**20. Entire Agreement.** This Agreement contains the entire agreement between the parties hereto, and each party acknowledges that neither has made (either directly or through any agent or representative) any representations or agreements in connection with this Agreement not specifically set forth herein. This Agreement may be modified or amended only by agreement in writing executed by County and Engineer, and not otherwise.

**21. Venue.** This Agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Hidalgo County, Texas. The parties hereby consent to personal jurisdiction in Hidalgo County, Texas.

**22. Hold Harmless.** In the event Engineer should cause, either directly or indirectly, damage, loss, destruction, liability, or claims against the other party as a result of intentional conduct, negligence or otherwise, Engineer shall hold harmless and indemnify County from any and all obligations, liabilities, cause of action, lawsuits, damages, and assessments, including legal fees, etc., that from the Engineer's intentional actions or negligence. This indemnification clause shall survive this Agreement and be enforceable as a separate agreement in the event its survival and enforcement becomes necessary.

**23. Attorney's Fees.** In the unlikely event that a dispute occurs which is litigated, or a cause of action in law or equity is filed concerning the operation, construction, interpretation, or enforcement of this Agreement, the losing party shall bear the cost of the attorney's fees incurred by the prevailing party and any and all costs applicable thereto, including, but not limited to, court costs, deposition fees, expert witness fees, out-of-pocket expenses and travel expenses which are incurred by the prevailing party.

**24. Notices.** Except as may be otherwise specifically provided in this Agreement, all notices, demands, requests or communications required or permitted hereunder shall be in writing and shall either be (i) personally delivered against a written receipt, or (ii) sent by a registered or certified mail, return

receipt requested, postage prepaid and addressed to the parties at the addresses set forth below, or at such other addresses as may have been theretofore specified by written notice delivered in accordance herewith:

If to County:           **Hidalgo County Urban County**  
Attn: Diana R. Serna, UCP Director  
427 East Duranta Avenue, Suite 107  
Alamo, Texas 78516

If to Engineer:       **Sames, Inc..**  
Attn: Sam Maldonado, P.E., Owner  
200 South 10<sup>th</sup> Street, Suite 1500  
McAllen, Texas 78501

Each notice, demand, request or communication which shall be delivered or mailed in the manner described above shall be deemed sufficiently given for all purposes at such time as it is personally delivered to the addresses or, if mailed at such time as it is deposited in the United States mail.

**25. Executions of Documents.** The parties hereto covenant and agree that they will execute such other and further instruments and documents as are or may become necessary or convenient to effectuate and carry out the terms of this Agreement.

**26. Binding Agreement.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and assigns where permitted by this Agreement.

**27. Gender.** All pronouns used in this Agreement shall include the other gender, whether used in the masculine, feminine or neutral gender, and the singular shall include the plural whenever and as often as may be appropriate.

**28. Authority.** The execution and performance of this Agreement by County and Engineer have been duly authorized by all necessary laws, resolutions or corporate action, and this Agreement constitutes the valid and enforceable obligations of County and Engineer in accordance with its terms.

**29. Professional Seal.** All documents and data furnished by the Engineer to the County shall bear Professional seal of a licensed Engineer employed by the Engineer.

**30. Commitment of Current Revenues Only.** In the event that, during any term hereof, the Commissioners Court does not appropriate sufficient funds to meet the obligations of County under this Agreement, County may terminate this Agreement upon ninety (90) days written notice to the Engineer. County agrees, however, to use reasonable efforts to secure funds necessary for the continued performance of this Agreement. The parties intend this provision to be a continuing right to terminate this Agreement at the expiration of each budget period of County pursuant to the provisions of Tex. Loc. Govt. Code Ann. ' 271.903 (Vernon Supp. 1996).

**31. Immunities.** Nothing in this Agreement is intended to and County does not hereby waive, release or relinquish any right to assert any of the defenses County enjoys by virtue of the state or federal constitution, laws, rules or regulations, and any sovereign, official or qualified immunity available to County as to any claim or action of any person, entity, or individual against County.

EXECUTED as of the day and year first written above.

# **EXHIBIT A**

## **-Scope of Services to be provided by the County**

The following provides an outline of the services to be provided by the Owner in the development of Projects (as defined and more particularly identified in Exhibit "A" attached to this Agreement).

### **General:**

The Owner will provide to the Engineer the following:

- 1) Provide the authorization to proceed with services through coordination with the project consulting and design Engineer.
- 2) Payment for work performed by the Engineer and accepted by the Owner in accordance with Article 3 of this Agreement.
- 3) Assistance to the Engineer, as necessary, to obtain the required data and information from other local, regional, State and Federal agencies the Engineer cannot easily obtain.
- 4) Provide any available relevant data the Owner may have on file concerning the projects.
- 5) Provide timely review and decisions in response to the Engineer's request for information and/or required submittals and deliverables, in order for the Engineer to maintain the agreed upon work schedule prepared in accordance with Exhibit "A" attached to this Agreement.
- 6) Attend and participate in progress meetings as required and as coordinated and conducted by Engineer.
- 7) Provide the authorization to proceed with services on project by project basis through consulting design and construction Engineer.

# **Exhibit B**

## **Scope of Services to Be Provided by the Engineer**

Hidalgo County – Urban County Program  
TX GLO 2015 Floods Grant  
Precinct #4  
(Alamo and Edinburg Area- Stormwater Relief Project)

This project consists of installing a storm sewer system capable of alleviating the impact of major storm events in the designated project area. The project area consists of 13 recorded subdivisions prone to flooding; San Marcos Acres, San Marcos Acres No. 3, Alamo Estates, Alamo Estates No. 2, Herencia Manor Subdivision, North Alamo Terrace Subdivision, Kaylen Heights, Chris Estates, Alberta Meadows, Alberta Meadows Unit No. 2, Hopewell Gardens, Dan Burns Estates and Trenton Oaks. The proposed storm sewer system will consist of drainage swales, roadside ditches, inlets, and pipe networks that will ultimately outfall at existing and proposed drainage ditches owned by Hidalgo County Drainage District #1. Additionally, road reconstruction will be required to drain subdivisions. These key infrastructure improvements should minimize the extent of flooding in the project area by ensuring positive drainage.

This project will also include subsidiary work required for the improvements, including temporary erosion control devices and traffic control for the duration of the project.

The professional services proposed include project planning, surveying, civil engineering design, preparation of bidding documents, bidding and award phase services, and basic services during construction. Project reporting and project coordination with other ongoing projects is also integral to these services.

Scope of services include;

### **1. Preliminary Phase.**

- a. Attend preliminary conferences with UCP, HCDD #1, Precinct 4 and/or with other County/City government agencies for coordination of Outfalls.
- b. Attend, if requested, meetings with TXGLO and other government agencies or interested parties regarding the project.
- c. As required, comply and receive UCP and the funding agencies approval on all work. This includes uploading plans, specs, estimates and reports to the GLO's online Portal.
- d. Coordinate with utility companies for identification of existing utilities.
- e. Produce Topographic Surveying and survey related services for design requirements and easement/right-of-way identification.

- f. Prepare preliminary engineering plans (schematics/30% Submittal) on the Project in sufficient detail to clearly identify any problems involved, solutions recommended and with the cost estimates.
- g. Obtain the UCP's approval for Preliminary Phase before proceeding with the next phase.

## **2. Design Phase**

- a. Coordinate Geotechnical Engineering Services for required bore and subsurface soil investigations.
- b. Incorporate all field information and surveys scope of work required for the design of the Project.
- c. Prepare preliminary hydrologic and hydraulic reports and design of the proposed storm system. Also, finalize hydrologic and hydraulic engineering for design requirements.
- d. Prepare detailed plans and specification for construction of the project. Project plans and specifications will be submitted for approvals at 60% and 100% complete to UCP and TXGLO (online portal). Submittals include cost estimates.
- e. Incorporate plans and specifications into contract documents for construction letting. We anticipate or will propose two separate project lettings.
- f. Prepare for construction and bidding phase by preparing reports, requesting permission to advertise, obtaining relevant permits (as required by local, state, and federal authorities).
- g. Assist UCP with advertisement and bidding process, including attending bid opening, tabulation of bids, and recommendation for award. Attend commissioner court and other meetings as needed.

## **3. Construction Phase**

The Construction Phase will commence with the execution of the prime construction contract(s) and will terminate upon approval via the Engineer's written approval of final payment to the Contractor(s).

During the Construction Phase, the Engineer will:

- a. Upon approval by Commissioners' Court, assist UCP in preparing the formal Contract Documents for the Contractor.
- b. Coordinate and hold a pre-construction conference with the contractor and all interested parties.
- c. Make periodic visits to the site as required, provide project construction observations of progress and quality of the executed work to determine if the work is proceeding in accordance with the contract documents.

- d. Consult and advise with UCP and issue all instructions and Change Orders to the Contractor as requested by UCP.
- e. During the progress of actual construction, Engineer will keep UCP informed with brief and concise reporting/information. A monthly progress report will be prepared which will give UCP a quick glance at the Project insofar as monies spent, construction time elapsed, percent of Project completed, a brief narrative of what problems have been encountered and the anticipated completion date.
- f. Review shop drawings and other working sketches furnished by Contractors for general compliance with design concept and with information given in contract documents.
- g. Review and provide a recommendation concerning all project submittals and samples, catalog data, schedules, shop drawings, laboratory results, shape and mill tests of material and equipment and other data which the Contractor is required to submit, in compliance with the Contract Documents.
- h. Review monthly and final pay estimates for payments to Contractors and provide recommendation to UCP.
- i. Review construction material testing results and provide comments for compliance with contract documents.
- j. Upon receipt of notification by contractor that the work has been completed, the Engineer shall accompany the UCP on the Final Inspection to assure that the total work has been completed in accordance with the Contract Documents.
- k. Prior to closing out of the Grant by UCP and dispersal of any retainage funds to Contractor(s), Engineer shall render a written opinion (prepare certificate of construction completion) to the UCP that the construction has been completed according to the Contract Documents and provide the UCP with a certificate of completion and release of liens documents from contractor, subcontractors and/or material suppliers.
- l. Provide the UCP and TXGLO with copies of as-built drawings of the constructed improvements.

#### **4. Additional Services**

- a. Provide up to 6 right-of-way maps along with their metes & bounds for any required easement acquisition.
- b. Provide Geotechnical and Construction Material Testing Services.

The above list of Scope of Services is intended to detail the major components required for completion of the professional duties of the project. However, this is not intended to be an all-inclusive list of all the services provided/required to ensure that the project is completed in accordance with the Grant/UCP requirements.

<b>Total</b>	<b>\$279,000.00</b>

Please note:

An hourly breakdown of services per phase (and per major task items) can be provide for review of manpower requirements for this fee proposal.

**EXHIBIT D**  
**-Work Authorization Form**

**HIDALGO COUNTY**  
**Professional Engineering Services**

**WORK AUTHORIZATION NO.** \_\_\_\_\_

**THIS WORK AUTHORIZATION** is made pursuant to the terms and conditions of Section I.A. of the Agreement made by and between **HIDALGO COUNTY**, action herein by and through the **Commissioner's Court**, hereinafter called the "**Owner**," and,           (Engineering Company)           professional engineers of \_\_\_\_\_, Texas, hereinafter called "**Engineer**".

**PART 1. SCOPE OF WORK**

The purpose of this Work Authorization is for the "engineering services" to provide **Professional Engineering Services**.

The scope of services to be provided by the **Owner** is identified in **EXHIBIT "A" – Scope of Services to be provided by the Owner** attached hereto.

The scope of services to be provided by the **Engineer** is identified in **EXHIBIT "B" – Scope of Services to be provided by the Engineer** attached hereto.

**PART 2. ESTIMATED COST**

The estimated cost for services under this Work Authorization is **\$0** \_\_\_\_\_. This amount is based upon the costs outlined in the Estimated **Cost Proposal** attached hereto as **EXHIBIT "D"**.

**PART 3. PAYMENT**

Compensation and payment to the Engineer for the services established under this Work Authorization shall be made in accordance with Article/Part/Section \_\_\_ of the Agreement.

**PART 4. FUNDING**

This Work Authorization No. \_\_\_ shall be funded through funding source:

Account No. \_\_\_\_\_

Purchase Order Number \_\_\_\_\_ **(MUST BE INCLUDED AFTER CC APPROVAL)**

**PART 5. PERIOD OF SERVICE**

This Work Authorization shall become effective on the date of final acceptance of the parties hereto, and terminate **upon completion of scopes of the work authorization**.

**PART 6. RESPONSIBILITIES AND OBLIGATIONS**

This Authorization does not waive the parties' responsibilities and obligations provided under the **Agreement**.

**PART 7. ACKNOWLEDGEMENT AND CONFIRMATION**

Acknowledgement and Confirmation by Hidalgo County Urban County Program, Diana Serna (Director) as to content and detail of this **Work Authorization No. 1** .

**HIDALGO COUNTY  
URBAN COUNTY PROGRAM**

BY: \_\_\_\_\_  
Diana R. Serna, Director

**PART 8. ACCEPTANCE AND APPROVAL**

This Work Authorization is hereby accepted, approved by Hidalgo County Commissioners' Court on       (date)       as indicated below and effective as of       (date)      , 2016 .

**EXHIBIT D**  
**-Work Authorization Form**

**HIDALGO COUNTY**  
**Professional Engineering Services**

**WORK AUTHORIZATION NO. 1**

**THIS WORK AUTHORIZATION** is made pursuant to the terms and conditions of Section I.A. of the Agreement made by and between **HIDALGO COUNTY**, action herein by and through the **Commissioner's Court**, hereinafter called the "**Owner**," and, **SAMES, Inc.** professional engineers of **McAllen**, Texas, hereinafter called "**Engineer**".

**PART 1. SCOPE OF WORK**

The purpose of this Work Authorization is for the "engineering services" to provide **Professional Engineering Services**.

The scope of services to be provided by the **Owner** is identified in **EXHIBIT "A" – Scope of Services to be provided by the Owner** attached hereto.

The scope of services to be provided by the **Engineer** is identified in **EXHIBIT "B" – Scope of Services to be provided by the Engineer** attached hereto.

**PART 2. ESTIMATED COST**

The estimated cost for services under this Work Authorization is **\$ 279,000.00**. This amount is based upon the costs outlined in the **Estimated Cost Proposal** attached hereto as **EXHIBIT "D"**.

**PART 3. PAYMENT**

Compensation and payment to the **Engineer** for the services established under this Work Authorization shall be made in accordance with Article/Part/Section **4** of the Agreement.

**PART 4. FUNDING**

This Work Authorization No. **1** shall be funded through funding source:

Account No. **GLO 2015 Floods / 18-271-000-A923**

Purchase Order Number \_\_\_\_\_ **(MUST BE INCLUDED AFTER CC APPROVAL)**

**PART 5. PERIOD OF SERVICE**

This Work Authorization shall become effective on the date of final acceptance of the parties hereto, and terminate **upon completion of scope of the work authorization**.

**PART 6. RESPONSIBILITIES AND OBLIGATIONS**

This Authorization does not waive the parties' responsibilities and obligations provided under the **Agreement**.

**PART 7. ACKNOWLEDGEMENT AND CONFIRMATION**

Acknowledgement and Confirmation by Hidalgo County Urban County Program, Diana Serna (Director) as to content and detail of this **Work Authorization No. 1** .

**HIDALGO COUNTY  
URBAN COUNTY PROGRAM**

BY: \_\_\_\_\_  
Diana R. Serna, Director

**PART 8. ACCEPTANCE AND APPROVAL**

This Work Authorization is hereby accepted, approved by Hidalgo County Commissioners' Court on May 22, 2018 as indicated below and effective as of May 22, 2018 .

# **EXHIBIT A**

## **-Scope of Services to be provided by the County**

The following provides an outline of the services to be provided by the Owner in the development of Projects (as defined and more particularly identified in Exhibit "A" attached to this Agreement).

### **General:**

The Owner will provide to the Engineer the following:

- 8) Provide the authorization to proceed with services through coordination with the project consulting and design Engineer.
- 9) Payment for work performed by the Engineer and accepted by the Owner in accordance with Article 3 of this Agreement.
- 10) Assistance to the Engineer, as necessary, to obtain the required data and information from other local, regional, State and Federal agencies the Engineer cannot easily obtain.
- 11) Provide any available relevant data the Owner may have on file concerning the projects.
- 12) Provide timely review and decisions in response to the Engineer's request for information and/or required submittals and deliverables, in order for the Engineer to maintain the agreed upon work schedule prepared in accordance with Exhibit "A" attached to this Agreement.
- 13) Attend and participate in progress meetings as required and as coordinated and conducted by Engineer.
- 14) Provide the authorization to proceed with services on project by project basis through consulting design and construction Engineer.

# **Exhibit B**

## **Scope of Services to Be Provided by the Engineer**

Hidalgo County – Urban County Program  
TX GLO 2015 Floods Grant  
Precinct #4  
(Alamo and Edinburg Area- Stormwater Relief Project)

This project consists of installing a storm sewer system capable of alleviating the impact of major storm events in the designated project area. The project area consists of 13 recorded subdivisions prone to flooding; San Marcos Acres, San Marcos Acres No. 3, Alamo Estates, Alamo Estates No. 2, Herencia Manor Subdivision, North Alamo Terrace Subdivision, Kaylen Heights, Chris Estates, Alberta Meadows, Alberta Meadows Unit No. 2, Hopewell Gardens, Dan Burns Estates and Trenton Oaks. The proposed storm sewer system will consist of drainage swales, roadside ditches, inlets, and pipe networks that will ultimately outfall at existing and proposed drainage ditches owned by Hidalgo County Drainage District #1. Additionally, road reconstruction will be required to drain subdivisions. These key infrastructure improvements should minimize the extent of flooding in the project area by ensuring positive drainage.

This project will also include subsidiary work required for the improvements, including temporary erosion control devices and traffic control for the duration of the project.

The professional services proposed include project planning, surveying, civil engineering design, preparation of bidding documents, bidding and award phase services, and basic services during construction. Project reporting and project coordination with other ongoing projects is also integral to these services.

Scope of services include;

### **5. Preliminary Phase.**

- a. Attend preliminary conferences with UCP, HCDD #1, Precinct 4 and/or with other County/City government agencies for coordination of Outfalls.
- b. Attend, if requested, meetings with TXGLO and other government agencies or interested parties regarding the project.
- c. As required, comply and receive UCP and the funding agencies approval on all work. This includes uploading plans, specs, estimates and reports to the GLO's online Portal.
- d. Coordinate with utility companies for identification of existing utilities.
- e. Produce Topographic Surveying and survey related services for design requirements and easement/right-of-way identification.

- f. Prepare preliminary engineering plans (schematics/30% Submittal) on the Project in sufficient detail to clearly identify any problems involved, solutions recommended and with the cost estimates.
- g. Obtain the UCP's approval for Preliminary Phase before proceeding with the next phase.

## **6. Design Phase**

- a. Coordinate Geotechnical Engineering Services for required bore and subsurface soil investigations.
- b. Incorporate all field information and surveys scope of work required for the design of the Project.
- c. Prepare preliminary hydrologic and hydraulic reports and design of the proposed storm system. Also, finalize hydrologic and hydraulic engineering for design requirements.
- d. Prepare detailed plans and specification for construction of the project. Project plans and specifications will be submitted for approvals at 60% and 100% complete to UCP and TXGLO (online portal). Submittals include cost estimates.
- e. Incorporate plans and specifications into contract documents for construction letting. We anticipate or will propose two separate project lettings.
- f. Prepare for construction and bidding phase by preparing reports, requesting permission to advertise, obtaining relevant permits (as required by local, state, and federal authorities).
- g. Assist UCP with advertisement and bidding process, including attending bid opening, tabulation of bids, and recommendation for award. Attend commissioner court and other meetings as needed.

## **7. Construction Phase**

The Construction Phase will commence with the execution of the prime construction contract(s) and will terminate upon approval via the Engineer's written approval of final payment to the Contractor(s).

During the Construction Phase, the Engineer will:

- m. Upon approval by Commissioners' Court, assist UCP in preparing the formal Contract Documents for the Contractor.
- n. Coordinate and hold a pre-construction conference with the contractor and all interested parties.
- o. Make periodic visits to the site as required, provide project construction observations of progress and quality of the executed work to determine if the work is proceeding in accordance with the contract documents.

- p. Consult and advise with UCP and issue all instructions and Change Orders to the Contractor as requested by UCP.
- q. During the progress of actual construction, Engineer will keep UCP informed with brief and concise reporting/information. A monthly progress report will be prepared which will give UCP a quick glance at the Project insofar as monies spent, construction time elapsed, percent of Project completed, a brief narrative of what problems have been encountered and the anticipated completion date.
- r. Review shop drawings and other working sketches furnished by Contractors for general compliance with design concept and with information given in contract documents.
- s. Review and provide a recommendation concerning all project submittals and samples, catalog data, schedules, shop drawings, laboratory results, shape and mill tests of material and equipment and other data which the Contractor is required to submit, in compliance with the Contract Documents.
- t. Review monthly and final pay estimates for payments to Contractors and provide recommendation to UCP.
- u. Review construction material testing results and provide comments for compliance with contract documents.
- v. Upon receipt of notification by contractor that the work has been completed, the Engineer shall accompany the UCP on the Final Inspection to assure that the total work has been completed in accordance with the Contract Documents.
- w. Prior to closing out of the Grant by UCP and dispersal of any retainage funds to Contractor(s), Engineer shall render a written opinion (prepare certificate of construction completion) to the UCP that the construction has been completed according to the Contract Documents and provide the UCP with a certificate of completion and release of liens documents from contractor, subcontractors and/or material suppliers.
- x. Provide the UCP and TXGLO with copies of as-built drawings of the constructed improvements.

## **8. Additional Services**

- a. Provide up to 6 right-of-way maps along with their metes & bounds for any required easement acquisition.
- b. Provide Geotechnical and Construction Material Testing Services.

The above list of Scope of Services is intended to detail the major components required for completion of the professional duties of the project. However, this is not intended to be an all-inclusive list of all the services provided/required to ensure that the project is completed in accordance with the Grant/UCP requirements.

	AUTHORIZED REPRESENTATIVE 

# **SAM** Engineering and Surveying, Inc.

---

Engineering Firm Reg # 10602      Surveying Firm Reg # 101416-00  
200 South 10<sup>th</sup> Street, Suite 1500, McAllen, Texas 78501  
Phone: (956) 702-8880 Fax: (956) 702-8883

Upon your approval, and execution of contracts, we will begin working on surveying and engineering design for this project. Project coordination meetings and reporting with your staff will be established prior to commencement and throughout the life of the project. SAMES, Inc.'s professional staff will work diligently with your staff to provide all the necessary documentation and submittals required to successfully execute this project and meet the TX GLO Grant Requirements.

The attached fee proposal of **\$254,000.00** engineering fee plus additional services represents our best and final offer.

The additional services (geotechnical and construction material testing) fees required for this project are estimated at but not to exceed \$25,000.00. A 10% engineering review fee will be added to the final additional services amount. This engineering review fee is considered within the total fee proposed and outlined in Exhibit C.

Please feel free to contact me at 956.702.8880 if you have any questions or to discuss this proposal.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Jessica M. Maldonado".

The general liability policy includes a blanket automatic additional insured endorsement that provides additional insured status to the certificate holder only when there is a written contract between the named insured and the certificate holder that requires such status.

The general liability policy contains a special endorsement with "primary and non-contributory" wording.

The general liability policy includes a blanket automatic waiver of subrogation endorsement that provides this feature only when there is a written contract between the named insured and the certificate holder that requires it.

**Sent:** Tuesday, May 15, 2018 10:18 AM  
**To:** Steve Crain <scrain@atlashall.com>  
**Subject:** Re: GLO 2015 Flood Grant project-Engineering Contract

Steve,

Attached you will find the contract agreement with the signature line for "Approved as to Form" with no date. You will all so find that Exhibit "B" and part of "C" have be incorporated in the the contract, the hourly rates are incorporated since they are in excel format which is also attached and labeled Exhibit "C". The insurances are also attached however there are 2 certificates due to the auto being separate due to different insurer.

---

**From:** "Steve Crain" <scrain@atlashall.com>  
**To:** "eric trevino" <eric.trevino@co.hidalgo.tx.us>  
**Sent:** Monday, May 14, 2018 9:34:49 AM  
**Subject:** RE: GLO 2015 Flood Grant project-Engineering Contract

Scheduled autos need to be listed on the certificate. The "Approved as to Form" signature line needs to be inserted and the date left blank. Also the exhibits should be incorporated into the contract. Thanks.
