Good morning, Monica!

I am very sorry, but I haven't seen an email from you in quite some time. We recently "upgraded" our email, too, and I had several things get stuck somewhere in space.

The quote from Park Place Recreation is in compliance with the vendor's award under BuyBoard Contract 512-16. The vendor has provided current list price of each item as well as the BuyBoard price after the discounts have been applied.

Please include a copy of the quote when submitting your purchase order.

Hope you're having a fantastic week!

Respectfully,

Connie W. Burkett, *CTSBS*

Good morning Ms. Burkett,

Hope all is well! Our office has been having issues with our emails for about two weeks now. Therefore, I'm hoping you received an email I sent you on April 24th, for pricing verification for Park Place! See attached quote. Can you please assist me with this request?

Thank you,

Monica Leal

Dome Climbers

This revolutionary leap forward in dome climbers opens up new play experiences to more people than ever before. A hybrid dome/orbs structure provides a more challenging climb than ordinary dome climbers. For the first time, its open design also enables children with mobility devices, parents and caregivers to go inside the dome to enjoy closer interaction as they play together. Available as both a freestanding structure or a modular deck component, the new Miracle Dome Climber with Orbs has everything you need to make dome climbers more exciting than ever.
