Re: Urban County and GLO – Penitas Drain Basin

Dear Ms. Serna,

Penitas Drain Basin is part of the Master Drainage System Phase II and is a project that was designated by the Hidalgo County Drainage District No. 1 (District) to be constructed out of the 2007-2008 bond proceeds. The District currently has funds available for this Project. Please accept this letter as a commitment in the amount of \$223,902 from Hidalgo County Drainage District #1 to reimburse Urban County out of these funds.

It is our understanding that amount is for change order #2 on the contract between Saenz Brothers Con. LLC and Hidalgo County Urban Project and is needed for completion of the Penitas Lateral Drain Phase IIIs which is part of the Master Drainage System Plan.

An updated interlocal will be placed on the District's Board of Directors meeting on June 19th, 2018

Respectfully submitted,
