Good morning Edna. I looked up the MPC4504 and the MPC4504EX is the replacement model for the MPC4504.

Thank you,

Thank you, Ms. Goble,

I also have another device that we'd like clarification. The model approved was MPC4504 and device received is MPC4504EX. Invoices for this model have been paid, but we'd like to update the model on purchase order so that we don't run into any issues in the future. Account is 429301-3648011.

Thank you,

Edna Caballero
