Ms. Garza,

Thank you for bringing this matter to my attention. I concur with Mr. Vina's recommendations. However, as you are aware, our office had addressed these issues and concerns previously with MVEC, specifically as it relates to their "template" agreement. After having spoken with their legal counsel regarding the template and the County's concerns, our office was satisfied with the assurances and information related to the PUC Tariff provisions they provided.

As such, our office approves as to the form of the service agreement(s) between MVEC, and and the County.

Thank you for your time and consideration. Please let me know if you have any additional questions or concerns.

Respectfully,

**Victor M. Garza**
