Here is an agreement for use of the space based off of one we had previously used. Please look at the term. I am not sure of the specific arrangements that have been made.

Hon. Josephine Ramirez:

To the best of my knowledge, this is the latest Mutual Aid Agreement we have archived in Purchasing. Mr. Valde Guerra has informed me that as a direct result of the flooding event of June 19th, the City of Weslaco is willing to assist the County in housing the two displaced JPs. Mr. Guerra is due to send me the specifics of the offer to assist this morning. He thought we would use an ILA or MOU to accomplish this, but I recalled that we also have this agreement in place. Could review and recommend as to it's applicability for what is being offered and the County requires? I am going to try to find out if there is any more recent agreement that we are part of with the LRGVDC. I will let you know the results.
Thanks,
Marty S.
