Proposed Solution

Ricoh SP C440DN

Put an end to expensive outsourcing. The SP C440DN delivers superior image quality at 42-ppm printing for black & white and color pages with the lowest possible total cost of ownership. Standard automatic duplexing, mobile device printing, and an expandable, versatile media supply allow you to print anything in-house with improved quality and cost control. Add the optional 320 GB Hard Disk Drive for local secure document storage, print on demand, and data protection capabilities.

KEY FEATURES

- Print speed of 42-ppm black & white and full-color
- Standard Gigabit Ethernet (1000Base-T) connectivity
- 1 GB standard/maximum RAM memory
- Large optional 320 GB hard disk drive (HDD) with standard data encryption and data overwrite
- The ability to connect to two networks simultaneously with the optional USB Device Server
- Up to 1,200 x 1,200 dpi resolution printing
- Support for thick paper up to 140 lb. Index through bypass tray (120 lb. Index through all standard paper trays)
- Up to 8.5" x 14" paper size (or 8.5" x 49" via Bypass Tray)
- 2,300 sheet maximum paper capacity
- ECO Night Sensor built into control panel.
- Weekly On/Off Timer, Fusing Off modes save more energy when not in use.
- Quota setting by administrator to control print costs and excessive usage
- EPEAT Gold
- Recommended AMV: 3,200

Recommended Replacement For:
HP CP4525

This product image shown above may be configured with additional options/accessories not included with the mainframe. For more information, please speak with your Ricoh Sales Representative.
