Good Afternoon Mr. Escaname,

As requested, this office reviewed the attached Draft of Rules for Regulation of Feed Establishments in the Unincorporated Areas of Hidalgo County, Thank you and Mr. Serna for providing clarification on some of the items. As discussed, there were a few minor typos and items to address in the updated policy, and it reflects the changes in the law wherein applicable provision were moved from section 229 to section 228 of the Texas Administrative Code. The draft regulations are approved as to form with the inclusion of the following recommended modifications:

1. Addition of specific applicable code provision (Tex. Admin. Code §228.33) to the food handler and manager licenses provisions on pages 15-16;
2. P. 21-move *Temporary Food Event Responsible Party Identification* form to new page (See Highlighted portion);
3. Add the appropriate Form number referenced on page 3 in the applicable forms; and
3. P. 21- add missing language from last sentence of the paragraph regarding authorities where complaints can be filed. -*See highlighted section*. I understand you will include applicable information.

I understand you will also be modifying the header and footer throughout to remove repetitive language.

For your convenience, please find attached a draft of the regulations with modifications and applicable highlights (please remove highlight when completed). It should be submitted to the Commissioner's Court for approval.

Please let us know if you have any additional questions.

Thank you,

Robert Viña III
