Hi Debra,

The agreement had that date because that is when we intended to take it to court, but needed your approval. The dates have been changed to the date we now intend it will be placed on the agenda. With no other edits needing to be made, can

you please signify legal approval for this 2018 agreement as it's understood we will revisit it for year 2019.

Regards,

Was the agreement approved last month? If that is why it has the June date, "AS OF" should be inserted on the signature page after "EXECUTED". If it will be on the next agenda, the dates on both pages should be updated.

Other than that, our standard comments about how this agreement work remain, so we should get back to this in December to figure out how to handle the 2019 one.

Please provide the word file for review.

Is there a reason the calendar year agreement is being done half way through the year?

Good morning Debra,

This agreement was sent to you last year for review and approval. We'll need to place this item on the agenda soon; therefore, attached is the executed 2017 agreement and the proposed 2018 agreement. The dates are the only things that have been changed. After your review, can you please signify legal approval?

If you have comments or concerns, please contact us.
