DESCRIPTION

The Peer Counselor Management Workshop is developed and presented by the Texas Department of State Health Services (DSHS) WIC Program. This course will help to ensure the success of your Breastfeeding Peer Counselor Program and is specifically geared toward Texas WIC staff who manage a breastfeeding peer counseling program or who trains peer counselors. Participants will learn to advocate for a program in their agency and receive planning guidance and insight on presenting effective training sessions for their counselors.

This class is offered twice each year depending on instructor and room availability. Attendees will need to bring a laptop with Windows 2007 or higher and PowerPoint.

Continuing Education Credit

There are no continuing education contact hours for this course.
