Martha,

This is just an "estimated" cost that they are requesting for now for the temporary service. A true cost estimate with the traditional "CIAC" & agreement will be sent when the exact route is provided by them. I in turn will

gather the "GPS" points and re-draw the sketch and then provide them with an exact cost & sketch.

Hope this helps,

Mr. Barrera:

You provided an estimated cost to Mr. Oscar Garcia with Jacobs on behalf of Hidalgo County's owner's representatives known as VMS. Will there be the traditional Contribution in Aid of Construction Agreement? Please advise.

Thanks,

Marty Salazar
