Good afternoon Omar,

Attached please find the revised RFQ Packet. I went ahead and included additional project detail information in Exhibit A (Requirements).

Please review and let me know if you approve the packet so that I may forward to TXDOT for their review.

Respectfully,
Erika Zamora

Good Morning Erika,

I reviewed the RFQ packet and the only item I noticed is a detail description of the project where the services will be needed. Other than that I don't see anything else.

Should you have any questions or concerns, do not hesitate to contact me at any time.

Best Regards,

Sir, the only thing I noticed is that they are missing a detail description of the project where the services will be needed. Other than that I don't see anything else.
