Erika, on #17 of the legal notice section, should we eliminate the crossed out text in the title and bullets? Once confirmed with the Hidalgo County Purchasing office, please edit or not depending on their decision and accept this Email as confirmed approval for Request for Qualifications - "**Professional Engineering Services for Inspection, Material Testing, and Construction Management for the Regional Linear Park Project ~Phase II from Ridge Road to Hall Acres Road in Hidalgo County Precinct No. 2**".

Thanks

Good afternoon Joseph,

As discussed, attached please find the CEI RFQ Packet with the revisions we discussed on Friday.

Please let me know if the packet is approved so that we can place on next weeks Commissioner's Court agenda for approval to advertise.

Let me know if you have any questions.

Respectfully,
Erika Zamora
