

A Touchstone Energy® Cooperative 

August 27, 2018

Dear Executive Director,

Please find the enclosed check from our, "Member to Member", donations program. These funds come from our existing members donating a \$1/bill to help their fellow members pay their NEC Co-op Energy electric bills through your local Community Action Agency.

- NOTE: Funds are to only go to assisting NEC Co-op Energy bills.

Sincerely,

Frank Wilson
