PURCHASING POLICIES AND PROCEDURES CHAPTERS 7, 8 & 9 FOR THE
PROVISION OF VACUUM TRUCK & EQUIPMENT RENTALS

We certify and accept the certification by Hon. Jose M. Flores, Commissioner, Pct. #3 that the purchase of rental of vacuum trucks and equipment from Longhorn Paving and Butch's Oilfield Services for the precinct constitutes an emergency under Chapters 7, 8 & 9 of the Hidalgo County current and adopted Purchasing Policies and Procedures. We, therefore, find that the purchase was an emergency and required the exception from the current and adopted HCPP&P pursuant to Texas Local Government Code 262.024 and is therefore to be entered into the Commissioners Court minutes.
