Good Afternoon Sir,

GT Distributors is a Glock Exclusive Dealer for handguns and while we do sell LE Sigs for individual Officer purchase, we don't sell their handguns to agencies, per our contractual agreement with Glock. We teamed up with Glock and formed a partnership with them, as they are the most reliable tool for LE duty weapon needs and we feel it's the best platform on the market.

With that being said, I'd be more than happy to send you a quote on Glock 21 Gen4's in .45acp, as well as a trade in price for the Sig P220's. We can also offer the buyback for the Officers with an online portal for the ease of the agency. If you would be interested, I can have a T&E Glock 21 shipped to your agency ASAP for you to stack up against the Sig P320.

We can write up a quote for you on the new holsters and mag pouches that you'll need as well either way you'd like to go. If trading into Glock, we can write it into the gun trade or leave it on separate quote for you. Please let me know how you'd like to proceed and I'll get you squared away ASAP.

Thank you,

Mr. Black,

The Hidalgo County Sheriff's Office is looking at purchasing the Sig Sauer P320 and trading in old Sig P220. Does GTs offer a trade-in or buy back program? Due to the amount of money that will be spent, we need 3 quotes. The quote needs to detail the value of the new Sig P320 and the trade-in value of the old Sig P220. If the trade-in option is not available, the quote needs to detail that the trade-in or buy back option is not available. The quote we need will be for the following pistols:

Qty
425 Sig Sauer P320, L320F-45-BSS, 45acp, 4.7 in, Nitron blk, striker, Siglite, modular polymer grip, LE, (3)
10rd steel mags, rail

Trade-In
Qty

408 Sig Sauer P220, 45acp, 4.7 in, night sights, (3) steel mags each

Thank you for your time
