Good morning! I went through this attached agreement and made all suggested corrections (to include adding Texas DPS). There were two spots where there were no suggestions to add DPS. Those areas are: Section IV., subsection A. (page 2); Section XX., subsection D. (page 10); and signature page (page 11). I added them in and highlighted in yellow. What do y'all think? I can take them out if they are not needed. Please let me know. Have a great weekend!
