Re: Letter of Commitment – “Lower Laguna Madre OSSF and NPS Pollution Prevention and Awareness, and GIS Database Program”

Dear Judge:

Hidalgo County Pct. 1(Hidalgo) provides this letter of support. Hidalgo County recognizes that Willacy County and local communities are developing regional environmental strategies for the Lower Rio Grande Valley in South Texas. Willacy County is leading many of these efforts.

Therefore, this letter confirms that Hidalgo County, upon Commissioners Court approval, shall support Willacy County with leverage up to \$15,000 in non-federal in-kind services to the proposed grant application. The Hidalgo County Planning Department and the Environmental Division will provide technical and staff support for this project. Please note that Hidalgo County reserves the right to nullify this commitment if circumstances warrant such action. Hidalgo County Pct. 1 looks forward to a continued partnership with Willacy County. Please contact Saul Garcia of my staff at [saul.garcia@co.hidalgo.tx.us](mailto:saul.garcia@co.hidalgo.tx.us) if you have any questions.

Sincerely,

David Fuentes  
County Commissioner
