Re: Notification of Permits by Rule Re-registration Requirement

Dear Mr. Cuellar:

Title 30 Texas Administrative Code § 106.496(h)(2)(B) requires all air curtain incinerator permits by rule registrations issued by the Texas Commission on Environmental Quality to be reviewed every five years. Our records show the following facility is approaching the five year deadline:

**Company Name** - Hidalgo County  
**Customer Reference No.** - CN600753990  
**Regulated Entity No.** - RN105335459  
**Registration No.** - 113884  
**Re-registration Expiration Date** - October 24, 2018

If permits by rule registration number 113884 is no longer needed (i.e.; plant dismantled or shutdown, etc.) then complete a void request worksheet (Form No. 20569). The void request worksheet can be faxed to the Air Permits Initial Review Team at (512) 239-4500. Please furnish all information as indicated in the forms and instructions. You may download the void request worksheet and the required forms for the permits by rule re-registration referenced below at:
