**RE: Hidalgo Co. Urban County Program Year 30 (2017)
City of Weslaco Water/Sewer Improvements Project**

Dear Ms. Serna,

On Sept. 11, 2018, the Hidalgo County Commissioner's Court selected L&G Consulting Engineers, Inc. to perform the professional engineering services for the City of Weslaco through the urban County program and the Hidalgo County Purchasing Department for the subject project.

We would like to thank you for your consideration on selecting our firm to complete the said engineering services; however, we are respectfully declining this work because at this time our current work load would not allow us to perform the subject work in a timely and efficient manner for your department.

Should you have any questions, please feel free to give me a call at (956) 565-9813.

Sincerely,

Jacinto Garza, P.E.
