Monica,

Please see the latest revision of the CCIP manual for inclusion as backup for the agenda item next week. We need the Cx Court to take action to accept use of the CCIP program for the new Courthouse project.

Thank you,

Paul,

Here is the manual. As I mentioned below, we will issue an updated version with some minor additions once the program is bound. Let me know if you have any questions.

Paul – We will be able to send you an updated CCIP manual today. There is some minor info that we will need to add once the program is bound but the update will be close to identical to the final version.

Can you just confirm the named and contact info for the Morganti PM for the job so we can include that as well?
