Gm Steve,

OK; no Court did not. I will have them place it on the agenda.

Respectfully,

I understand. The question is did Commissioners Court approve replacing this account. Call me and I will explain.

Hi Steve,

No this account had been opened many years ago; this will just be the account to replace the one opened previously that will end up getting closed.

Did the Commissioners Court approve the opening of this account? If not Mr. Villareal is signing a document that states the governing body has approved the opening of this account.
