Lost Property

On Friday, October 5, 2018, at about 8:49 PM, I Officer Jacinto Flores #144 was dispatched to 1702 South Closner Boulevard in reference to lost property.

Upon arrival I made contact with Russell Rene Solis who reported the following. Russell advised that he worked at the main office of the Hidalgo County Precinct 4 located at 1051 North Doolittle Road. Russell advised that they were conducting an audit before the new commissioner came in on January 1, 2019. Russell said that they had started the audit about 4 months ago but had been unable to locate 41 items that could be at any of their 7 locations. Russell said that the items were circulated through all 7 of their locations and had no specific place where they were stored. Russell provided a list of missing items complete with serial numbers with total cost of \$19,990.17.

I gave Russell a case number and advised him that an incident report would be filed. The list containing all the missing items was submitted with this report. No further action was taken.
