THIS PROPOSAL IS VALID FOR 30 DAYS FROM DATE ISSUED.					

PowerGard Protection Proposal Prepared for: *I have been offered this extended warranty and*

Customer Name - Please Print **I ACCEPT** the PowerGard Protection
 I DECLINE the PowerGard Protection

Customer Signature *If declined, I fully understand that my equipment listed above is not covered for repair expenses due to component failures beyond the original basic warranty period provided by John Deere.*

Note : This is not a contract. For specific PowerGard Protection coverage terms and conditions, please refer to the actual PowerGard Protection Plan contract for more information and the terms, conditions and limitations of the agreement.

What PowerGard Protection is :
 The PowerGard Protection Plan is an **extended warranty** program for reimbursement on parts and labour for covered components that fail due to faulty material or original workmanship that occur beyond the John Deere Basic Warranty coverage period. The agreement is between Deere & Company and the owners of select John Deere Commercial and Agricultural equipment, who purchase the PowerGard Plans for the desired coverage as indicated in this proposal.

What PowerGard Protection is not :
 PowerGard Protection is not insurance. It also does not cover routine maintenance or high wear items, or insurance-related risks/perils such as collision, overturn, vandalism, wind, fire, hail, etc. It does not cover loss of income or loss of value of crops during or after an equipment failure. See the actual product-specific PowerGard Protection Plan agreement for a complete listing of covered components, and limitations and conditions under the program.

JOHN DEERE

Features/Benefits:

PowerGard protection include the following features and benefits under the program :

- Pays for parts and labour costs incurred on failed covered components (less any applicable deductibles),
- Does not require pre-approval before repairs are made by the authorized John Deere dealership,
- Payments are reimbursed directly to the dealership with no prepayment required by the contract holder.
- PowerGard Protection agreements ensure that only Genuine John Deere Parts are used in all repairs,
- PowerGard coverage is fully transferable to future owners, with no transfer fees when coverage remains,
- PowerGard ensures higher resale value and makes equipment more marketable during the sale or trade-in,
- PowerGard allows you to budget your total cost of ownership, with financing available through John Deere Credit or other sources,
- PowerGard helps prevent large,unexpected repair bills during later years of equipment ownership,in exchange for a smaller protection fee up front.

JOHN DEERE

PowerGard Protection Proposal Prepared for:

I have been offered this extended warranty and

Customer Name - Please Print

I ACCEPT the PowerGard Protection

I DECLINE the PowerGard Protection

Customer Signature

If declined, I fully understand that my equipment listed above is not covered for repair expenses due to component failures beyond the original basic warranty period provided by John Deere.

Note : This is **not** a contract. For specific PowerGard Protection coverage terms and conditions, please refer to the actual PowerGard Protection Plan contract for more information and the terms, conditions and limitations of the agreement.

What PowerGard Protection is :

The PowerGard Protection Plan is an **extended warranty** program for reimbursement on parts and labour for covered components that fail due to faulty material or original workmanship that occur beyond the John Deere Basic Warranty coverage period. The agreement is between Deere & Company and the owners of select John Deere Commercial and Agricultural equipment, who purchase the PowerGard Plans for the desired coverage as indicated in this proposal.

What PowerGard Protection is not :

PowerGard Protection is **not insurance**. It also does not cover routine maintenance or high wear items, or insurance-related risks/perils such as collision, overturn, vandalism, wind, fire, hail, etc. It does not cover loss of income or loss of value of crops during or after an equipment failure. See the actual product-specific PowerGard Protection Plan agreement for a complete listing of covered components, and limitations and conditions under the program.

Features/Benefits:

PowerGard protection include the following features and benefits under the program :

- Pays for parts and labour costs incurred on failed covered components (less any applicable deductibles),
- Does not require pre-approval before repairs are made by the authorized John Deere dealership,
- Payments are reimbursed directly to the dealership with no prepayment required by the contract holder.
- PowerGard Protection agreements ensure that only Genuine John Deere Parts are used in all repairs,
- PowerGard coverage is fully transferable to future owners, with no transfer fees when coverage remains,
- PowerGard ensures higher resale value and makes equipment more marketable during the sale or trade-in,
- PowerGard allows you to budget your total cost of ownership, with financing available through John Deere Credit or other sources,
- PowerGard helps prevent large, unexpected repair bills during later years of equipment ownership, in exchange for a smaller protection fee up front.
