Good morning Steve,

Precinct 2 is kindly requesting that you review and approve the engineering contract attached with B2Z for the Regional Linear Park Project - Phase II.

Please be advised that we are currently having TxDOT review the contract and rates as well, and there may be some slight changes to the rates but the actual contract will remain as is.

Purchasing will be placing an item on next weeks agenda for approval of the contract so please let me know as soon as possible.

Respectfully,

--
