Good afternoon Steve,

I believe there may be some confusion on which license agreement is referenced above.

The one that I am requesting that revisions be made to is the one between the County and PSJA ISD only, for the parking lot that Pct 2 will be modifying and the school district will be allowing us to use as parking for the Regional Linear Park. The irrigation district is not involved in this agreement.

Please call me if you have any questions.

Respectfully,
Erika Zamora

I have received revisions today proposed by the irrigation district. I have some questions re the revisions that I have sent to the attorney, Glenn Jarvis, and I have yet to receive a response. I do not believe we will have an agreement for next Tuesday.

Good morning Mr. Crain,

Just following up on the request below. When do you anticipate we will have the revised agreement? I am going to proceed to place an agenda item on next weeks agenda for the requested agreement.

Respectfully,
Erika

Good morning Steve,

As discussed, attached please find the license agreement with PSJA ISD that you developed for the Regional Linear Park Project - Phase I. As explained, the Exhibit has changed a bit to expand the area for parking. The new exhibit is attached and we have included some recommended revisions on the agreement. Please review and revise the agreement accordingly so that we can have it approved on next weeks agenda.

Please let me know if you have any questions.

Respectfully,
