The Proposal Invitation seeks base pricing for vehicles. Optional equipment is not to be listed in a base price since options will be selected by the Cooperative member at time of order. All options are to be priced at standard government pricing. A COMPLETE LIST OF ALL OPTIONAL EQUIPMENT MUST BE SUBMITTED WITH PROPOSAL FOR PROPOSAL TO BE CONSIDERED. The Cooperative considers an option listed and priced in a proposal response to be a "Published Option", part of any awarded contract, and available for purchase by members separately and independently from associated base price items. Any option that has not been listed and priced in the response is considered to be an "Unpublished Option". Unpublished Options may be sold, but only in connection with the sale of an awarded base product item, and only if the total cost of all "Unpublished Options" remains below twenty-five percent (25%) of the total cost of the base product plus any Published Options. No Published or Unpublished Option may be sold which essentially converts a Product such that it competes with a Product Item awarded to another Vendor.

AWARD AND EVALUATION

This contract will be awarded based on the evaluation and award criteria set out in Section C.2 of the General Terms and Conditions to provide best value to Cooperative members. Awarded proposals will not be active on the BuyBoard until price sheets or catalogs are submitted in the proper format to be posted to the BuyBoard.

This Proposal Invitation requires Proposers to provide certain information that the Cooperative does not evaluate and is not included in the award criteria set out in Section C.2. The Cooperative requests the information, however, because it may be relevant to federal, state or local procurement law or other legal requirements that apply to various Cooperative members. The information, which will be made available to Cooperative members with respect to awarded Vendors, includes the following:

- a) Proposer's status as a minority/woman-owned business enterprise, historically underutilized business, or service-disabled veteran;
- b) Whether Proposer or its ultimate parent or majority owner has its principal place of business in Texas or employs at least 500 persons in Texas; and
- c) Whether Proposer is a Texas resident or a non-resident business.

TYPE OF CONTRACT

This is a "sealed proposal" based on unit prices and discount off catalog or price list and may contain a not-to-exceed hourly labor rate. All discount percentages shall remain firm for the duration of the contract. In the event of price decreases, such price decreases shall be allowed for all products. Catalog/pricelist must be submitted with the Proposal.

By signing this Proposal, the Proposer certifies that the proposing entity has obtained, and will continue to maintain during the entire term of this contract, all permits, approvals, or licenses, necessary for lawful performance of its obligations under this contract. Individual Cooperative members may in certain circumstances request background checks on an awarded Vendor's employees who will have direct contact with students, or for other reasons, and may require Vendor to pay the cost of obtaining criminal history information.

BUYBOARD ADVISORY REGARDING CONSTRUCTION-RELATED GOODS AND SERVICES

The Cooperative issued the Construction-Related Goods and Services Advisory, which provides information specifically relevant to the procurement of construction-related goods and services by Texas Cooperative members. The Advisory is included as Form F in the Proposal Forms associated with this Proposal Invitation. Because many BuyBoard contracts include goods or installation services that might be considered construction-related, Proposer should sign and submit Form F regardless of type of goods or services associated with this Proposal Invitation.
