Good Evening, Valde

Judge Garcia would like this placed as an item on the Dec. 4 Commissioners Court agenda. These gentlemen reached out to Judge Garcia about doing a presentation at Commissioners Court and donating a mural to the Courthouse Annex III building.

Please let me know if you need anything further.

Best,
Julia

Dear Mrs. Benitez

Thanks a lot for meeting with us last week as we showed up unannounced to your office.

As I mentioned to you, my name is Gerardo Arriaga, I am an Attorney and a resident of Hidalgo County.

I, along with other individuals, would like to make a donation to Hidalgo County in the form of a Mural, to be placed in the Annex Building so that it can be enjoyed by all the residents

of the County who visit the annex.

The mural would be painted by Imuris Ramos Pinedo and Jose Arturo Ramos Pinedo, two young brothers who are seasoned and skilled muralists.

Imuris and Jose Arturo have painted two murals for the City of Pharr, one in the Public Library which I donated.

I am attaching one photo for you to see buy I would like to bring you a catalog of their work.

What would be the first step to take to donate a Mural to the County?

Best Regards

Gerardo Arriaga
