**Subject:** Mile 10 amendment

Mr. Crain,

After discussing the language we believe the current wording limits the Pct. from using all funds during the phase of the design and only allows us to use the funds after we've completed this phase. Due to limited funds we request that the Inter local agreement be amended to read "a lump sum" as noted on the e-mail attachment so that we may use the Weslaco portion. Please contact me for any questions.

Thank you,

Jorge Pena
