To whom it may concern:

The Hidalgo County Sheriff's Office (HCSO) is requesting the waiver of the 3% set aside regarding NIBRS compliance in the captioned application. The HCSO was previously awarded \$81,879.00 for the period of 9/1/2018-8/31/2019, Grant Award Number 3661701. To date, the HCSO is diligently working towards the acquisition and implementation of needed software and resources to be in full NIBRS compliance which the State of Texas has mandated to be September, 2019. Once fully implemented, it will take three months for the State of Texas to certify the HCSO as NIBRS compliant.
