Good morning,

Sergio/Marty,

Attached please find Weidenhammer's Computer Processing Services Agreement. This agreement is for Weidenhammer to host the County's financial data (alio) on the cloud. Weidenhammer is SOC 1 and SOC 2 compliant. Please place this agreement on the agenda of December 18, 2018.

Sergio,

Attached please find the quote from Weidenhammer for the cloud services we spoke about last week. We would really appreciate if you can coordinate with IT (or direct them) to create the requisition (from IT Countywide) before the end of the year. I'll forward you the agreement for the services as soon as I receive it from Weidenhammer so it can be placed on the agenda of December 18, 2018. We would like to move on this ASAP as the migration will take 2 to 3 months.

Thank you!
