RE: Regional Linear Park Project (RLPP) – Section 2 – Recommendation for Award
Bid Number: 2018-199-10-24-RFV
Limits: From Hall Acres Road to Ridge Road
Hidalgo County, CSJ: 0921-02-409

Dear Mr. Leal,

Attached please find one original of each bid submitted (3 bids total), with tabulation and analysis conducted by our project engineer, L&G Engineering, including their recommendation to consider an award for the above referenced project.

Hidalgo County agrees with the project engineer's recommendation and is seeking concurrence and approval from TxDOT in order to take action and award the contract to the responsive bidder that submitted the lowest and best bid: Texas Cordia Construction, LLC of Edinburg, Texas in the amount of \$3,409,415.00 (see attached bid tabs as well as engineer's recommendation for bid summary).

Please be advised that Hidalgo County is asking for your concurrence on awarding this construction contract based on the following:

1. Engineer's Recommendation
2. Bidder meets all Federal and County requirements
3. Bid is the lowest received

Hidalgo County acknowledges (as per the AFA) that any costs above the approved Federal and/or State available funds are the responsibility of Hidalgo County. Should you have any questions, please feel free to contact me at (956) 787-1891.

Sincerely,

Eduardo Cantu

RE: Regional Linear Park Project (RLPP) – Section 2 – Recommendation of Award
From: Hall Acres Road to Ridge Road
CSJ: 0921-02-409

Commissioner Cantu,

L&G has tabulated the official bid amounts for the three bidders and analyzed the bids in accordance with Article 2.10L, “*Tabulating Bids*” of the project Standard Specifications (Items 1L-9L General Requirements and Covenants). The official bid amounts, which are summarized below, ranged from 7.9% above the Engineer’s Estimate to 40.2% above the Engineer’s Estimate and match the total bid amounts on their respective proposal (with the exception of a typographical error noted on Bidder #1’s written bid (see attachments and detailed explanation below)).

RLPP Section 2 Project Engineer’s Estimate = \$3,161,012.89

	Bidder Name	Bid Amount	% over/under
Bidder #1 (Low Bidder)	Texas Cordia Construction	\$3,409,415.00	+7.9%
Bidder #2	REIM Construction, Inc.	\$4,032,340.65	+27.6%
Bidder #3	Foremost Paving, Inc.	\$4,431,942.65	+40.2%

We found no indication of material unbalancing or any front loaded items. However, certain bidders require further explanation:

Bidder #1 – Texas Cordia Construction (Low Bidder)

Bidder #1 had a typographical error on one of the items (Item 400 6006 Cut & Restoring Pav showing a total Item Cost of \$436,115.00 instead of \$43,615.00). We verified that this typographical error was specific to this item and did not affect the overall bid amount (their low bid amount written on their bid proposal is correct).

Bidder #2 – REIM Construction, Inc.

Bidder #2 had no issues with their bid proposal.

Bidder #3 – Foremost Paving, Inc.

Bidder #3 had no issues with their bid proposal.

Based on our review we recommend that the low bidder, Texas Cordia Construction, be awarded the contract.

A discussion of our bid analysis follows:

After L&G's review of the low bidder's submittal, no unbalancing was found.

If you have any questions or comments please feel to give me a call at 956-585-1909.

Sincerely,

David A. Saenz, P.E., C.F.M.
