Parcel # 14

Dear Mr. Flores:

Attached herewith is a counter-offer as submitted by Maria Lydia Garza owner of Parcel 14 on December 14, 2018. L & G Engineering has reviewed the aforementioned and hereby recommends that counteroffer be approved. Attached also is the N-9, Administrative Settlement Evaluation and Approval Form.

L & G Engineering believes the counteroffer is a legal and cost savings issue and a timing issue due to the imminent "let" date. More importantly due to recent court awards on similar projects and the cost to litigate through the Special Commissioners' Hearing we recommend that the counteroffer of **\$17,500.00** be accepted.

Please review these documents and feel free to contact me at (956) 585-1909 if you wish to discuss this matter personally.

Sincerely,

Fernando Herrera Jr.

** The following documents have been considered and are incorporated by reference: appraisals, appraisal review form, owner's counteroffer and supporting documentation, negotiator's log, and _____

Analysis and Conclusion:

Our approval/ disapproval recommendation is based on the items checked above and has been evaluated as follows: (attach additional sheets as necessary)

Being a 11,229 square foot or 0.2578 of an acre tract of land situated in the Lazero Flores Survey, Abstract 576, Porcion 76, Hidalgo County, Texas, out of Lot 1, Block 8, Homeville Association Subdivision "D". On October 12, 2018, Acquisition Provider (L&G Engineering) made an offer of \$7,218.00 to purchase the property to Maria Lydia Garza. On December 14, 2018 the property owner submitted a counter offer of \$17,500.00. Mrs. Garza feels that her counteroffer is justifiable being that her property is considered commercial. As per Mrs. Garza her lot is on a corner of two major roads deserving a higher valuation and feels that our valuation is taken from properties not comparable and too far. She has had offers in the past and has turned them down as well. Mrs. Garza also says that her property has a lot of sentimental value being that its been her family for many years. Mrs. Garza hopes that the county considers her counteroffer to avoid condemnation. Based on the information provided within the counter offer and discussion by the acquisition team it is recommended that the Administrative Settlement be approved. We believe that the proposed counter offer is within a reasonable range.

This administrative settlement of \$ 17,500.00 is / is not recommended for approval as being reasonable, justified, prudent and in the public interest.

VI. Comments and Conclusions on Values in the Appraisal Report

Appraiser: Leonel Garza III
Effective Date of Report: September 10, 2018
Report Dated: September 24, 2018
Review Appraiser: Harvey L. Heerssen
Effective Date of Review: September 25, 2018

Parcel 14 is a partial taking of 0.2578 acres (11,229 sf.) situated in the Lazero Flores Survey, Abstract 576, Porcion 76, out of Lot 1, Block 8, Homeville Association Subdivision "D", as recorded in Volume 6, Page 36,, of the Map Records, Hidalgo County, Texas, said Lot 1, Block 8 conveyed by Deed of Gift, dated May 17, 1995, to Maria Lydia Garza, from Edmundo Garza and wife, Belia C. Garza, as described in Document Number 455219 of the Official Records, Hidalgo County, Texas.

The whole property of 10 acres is located at the southwest corner of Liberty Road and Mile 3 Road, Hidalgo County, Texas and is vacant land. The appraiser Leonel Garza III has selected three (3) recent sales to value the whole tract at \$28,000 per acre. This parcel merits a higher per acre value than the adjoining tracts since it is a corner tract. The highest and best use is for residential purposes. and the part taken is valued as pro-rata part of the whole. There are no market damages to the remainder land.

The appraiser has considered access damages in accordance with Section 21.042(d) of the Texas Property Code, as amended by SB18 of the Texas 82nd Regular Legislative Session. The result of the findings is that there is no denial of direct access nor material impairment of direct access on or off the remaining property that affects the market value of the remaining property. Therefore, there are no access damages to the remainder property.

The report prepared by the appraiser Leonel Garza III is an Appraisal Report presented on TxDOT form ROW-A-5 and appears to comply with USPAP and the Texas Department of Transportation's Appraisal and Review Manual. The appraisers' opinion and conclusions appear to be well supported by information contained within this appraisal report. It is recommended that the total value of 7,218.00 be approved for negotiations and acquisition.

VII. Justification and Explanation for Credit if Retained.

Retentions are not applicable as subject parcel is vacant land.

Fencing is applicable only to actual cost or lump sum fencing on 90-10 Right of Way projects and State cost participation in fences to be in accordance with State's Right of Way Manual.

The values indicated hereon have been approved on the basis that all improvements within the taking will be acquired in the name of the State through negotiation.

IX. Reviewing Appraisers' Statements

Reviewing Appraiser's Statement

It is my opinion that the appraiser's report for this parcel appears adequately supported and in compliance with all appropriate appraisal standards, laws, and regulations, and I recommend this appraisal for use by the appropriate Agency Official and his/her assigns. I have no direct or indirect present or contemplated future personal interest in such property or in any benefit from the acquisition of the parcel. To the best of my knowledge, the value does not include any items that are not compensable under State law.

Rio Grande City, Texas 78582

Dear Ms. Garza:

In acquiring property for the highway system of Texas, the Texas Department of Transportation (the "Department") and Hidalgo County (the "County") follow a definite procedure for appraising the land needed and for handling personal negotiations with each owner. As has been or will be explained by the County's negotiator, Fernando Herrera, Jr., a portion of your property located on Liberty Road, as described in the enclosed property description, is to be acquired for the construction or improvement of the above-referenced highway project.

We believe at this stage of the purchase process it is mutually beneficial to confirm that, based on an appraisal, the County is authorized to offer you **\$7,218.00** for your property, which includes **\$7,218.00** for the property to be purchased and **\$0.00** for damages to your remaining property. This amount is the total amount of just compensation for all interests in the portion of your property to be acquired, as determined in accordance with State law, less oil, gas and sulphur, subject to clear title being conveyed to the County. In accordance with State law, it is the policy of the Department/County to negotiate with the fee owner(s) of the real property with the understanding that you will, in turn, negotiate with any lessee or other party who may own any interest in the land or improvements, with the exception of public utility easements, which will be handled separately by the Department/County.

This offer to purchase includes the contributory values of the improvement(s) listed below, which are considered to be part of the real property. Since the improvement(s) must be removed, it is the policy of the Department/County to permit owners who convey voluntarily to the State to thereafter retain the improvement(s), if they wish to do so. The retention values shown below are the estimated amounts the improvement(s) would bring if sold on public bids. If you wish to retain title to any of the following improvement(s) and remove it (them) from the right of way, the amount of the above offer must be reduced by the appropriate retention amount(s). This option to retain the improvement(s) does NOT apply should it become necessary for the County to acquire the real property by eminent domain.

<u>Improvement</u>	<u>Amount to be Subtracted if Retained</u>
A. N/A	\$0.00

If you wish to accept the offer based upon this appraisal, please contact Fernando Herrera, Jr., as soon as possible at (956) 585-1909, so that the process of issuing your payment may be started. If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, setting forth a counteroffer amount and the basis for such amount, provided such settlement request is received in writing within 30 days from the date of this letter. Please note that your opportunity to submit an administrative settlement shall be forfeited if such a settlement request is not received by the Department/County within the 30 day time deadline. In the event the condition of the property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the property for use by the Texas Department of

Transportation/Hidalgo County. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the County and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the Department/County failed to properly determine the eligibility for, or the amount of, incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the Department's/County's determination on any claim for reimbursement.

You may be entitled to additional payments and services under the State's Relocation Assistance Program. It is emphasized, however, that any benefits to which you may be entitled under this program will be handled entirely separate from and in addition to this transaction. You will receive a brochure entitled "*Relocation Assistance*" which will inform you of eligibility requirements, payments and services which are available.

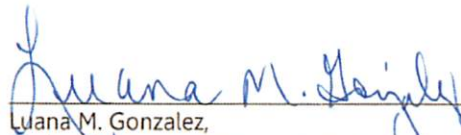

You have the right to discuss with others any offer or agreement regarding the Department's/County's acquisition of the subject property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply.

Attached is a copy of the Texas Department of Transportation brochure entitled "*Right of Way Purchase*" which we trust will give you a better understanding of the procedures followed by the Department/County in purchasing property. We respectfully request the opportunity to meet with you or to otherwise discuss and answer any questions you may have regarding the details of the type of facility to be built, or concerning the County's offer or proposed purchase transaction. Also, please do not hesitate to contact Mr. Herrera at the telephone number provided above regarding any question you may have.

Please see the enclosed copy of the "*Texas Landowner Bill of Rights*."

Finally, we enclose copies of all appraisal reports relating to your property being acquired which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the State/County, including the appraisal on which this offer is based.

Sincerely,

Luana M. Gonzalez,

RE: Improvements on Liberty Road to 3 Nile Road, Parcel No. 14

Leo Salinas
Right of Way Administration
L&G Engineering
900 S Stewart Rd
Mission, Texas 78572

Dear Leo Salinas :

As we have previously discussed, I decline the offer of \$7,218.00 for my property. My family and I feel that it is worth much more than that. Your comparative valuation is taken from properties on interior sections of similar roads but ours is a corner 10 acre lot on the crossing of two major roads, yet those comparisons refer to a value up to \$47,959.00 per acre on an interior section. Our lot being on a corner of two major roads deserves a higher valuation. This property has been in our family for many years and carries also great sentimental value. The offer of \$0.00 for damages is also unacceptable, since your equipment has already damaged the existing fence on Liberty Road. As per your documents, this property is located in an area designated for commercial development and has great potential for commercial and residential development.

I am willing to accept \$17,500.00 for the sale of 11,229 square feet or 0.2578 tract of land on Liberty Road, as described in your letter.

Sincerely,

Maria Lydia Garza
