<u>PART 10</u>	TEXAS DEPARTMENT OF MOTOR VEHICLES
<u>CHAPTER 217</u>	VEHICLE TITLES AND REGISTRATION
<u>SUBCHAPTER H</u>	DEPUTIES
RULE §217.161	Purpose and Scope

Pursuant to Transportation Code, §520.0071, a county tax assessor-collector, with the approval of the commissioners court of the county, may appoint deputies to perform designated motor vehicle titling and registration services. This subchapter prescribes the classification types, duties, and obligations of deputies; the type and amount of any bonds that deputies may be required to post; and the fees that deputies may be authorized to charge or retain. A deputy appointed under Transportation Code, §520.0071, on or before December 31, 2016, may continue to perform services authorized under former Transportation Code, §§520.008, 520.009, 520.0091, and 520.0092, as amended by Acts 2011, 82nd Leg., ch. 1296 (H.B. 2357). Beginning January 1, 2017, all deputies must be deputized in accordance with and comply with the provisions of this subchapter.

- (1) Board--Board of the Texas Department of Motor Vehicles.
- (2) Commercial fleet buyer--An entity that, in compliance with Transportation Code, §501.0234(b), is deputized under this subchapter, utilizes the dealer title application process developed to provide a method to submit title transactions to the county in which the commercial fleet buyer is a deputy, and has authority to accept an application for registration and application for title transfer that the county tax assessor-collector may accept.
- (3) Dealer deputy--A motor vehicle dealer, as defined by Transportation Code, §503.001(4), including a commercial fleet buyer, who is deputized to process motor vehicle titling and registration transactions, and who may be authorized to provide registration renewal services. Dealer deputy includes an individual, who is not himself or herself appointed as a deputy, employed, hired, or otherwise engaged by the dealer deputy to serve as the deputy's agent in performing motor vehicle titling, registration or registration renewal services.
- (4) Department--Texas Department of Motor Vehicles.
- (5) Deputy--A person appointed to serve in an official government capacity to perform, under the provisions of this subchapter, designated motor vehicle titling,

registration, and registration renewal services as a deputy assessor-collector. The term "deputy" does not include an employee of a county tax assessor-collector.

(6) Full service deputy--A deputy appointed to accept and process applications for motor vehicle title transfers and initial registrations, and process registration renewals and other transactions related to titling and registration. Full service deputy includes an individual, who is not himself or herself appointed as a deputy, employed, hired, or otherwise engaged by the full service deputy to serve as the deputy's agent in performing motor vehicle titling, registration or registration renewal services.

(7) Limited service deputy--A deputy appointed to accept and process motor vehicle registration renewals. (8) Person--An individual, business organization, governmental subdivision or agency, or any other legal entity.

RULE §217.163 Full Service Deputies

(a) A county tax assessor-collector, with the approval of the commissioners court of the county, may deputize a person to act as a full service deputy in the same manner and with the same authority as though done in the office of the county tax assessor-collector, subject to the criteria and limitations of this section, including signing the addendum as specified in subsection (k) of this section.

(b) A full service deputy must offer and provide titling and registration services to the general public, and must accept any application for registration, registration renewal, or title transfer that the county tax assessor-collector would accept and process, unless otherwise limited by the county.

(c) The county tax assessor-collector may impose reasonable obligations or requirements upon a full service deputy in addition to those set forth in this section.

(d) To be eligible to serve as a full service deputy, a person must be trained, as approved by the county tax assessor-collector, to perform motor vehicle titling, registration, and registration renewal services, or otherwise be deemed competent by the county tax assessor-collector to perform such services.

(e) To be eligible to serve as a full service deputy, a person must post a bond payable to the county tax assessor-collector consistent with §217.167 of this title (relating to Bonding Requirements) with the bond conditioned on the person's proper accounting and remittance of the fees the person collects.

(f) A person applying to be a full service deputy must complete the application process as specified by the county tax assessor-collector. The application process may include satisfaction of any bonding requirements and completion of any additional

required documentation or training of the deputy before the processing of any title, registration, or registration renewal applications may occur.

(g) A full service deputy must provide the physical address at which services will be offered, the mailing address, the phone number, and the hours of service. This information may be published on the department's website and may be published by the county if the county publishes a list of deputy locations.

(h) A full service deputy shall keep a separate accounting of the fees collected and remitted to the county and a record of daily receipts.

(i) A full service deputy may charge or retain fees consistent with the provisions of §217.168 of this title (relating to Deputy Fee Amounts).

(j) A full service deputy must maintain records in compliance with the State of Texas Records Retention Schedule as promulgated by the Texas State Library and Archives Commission.

(k) Beginning January 1, 2017, a full service deputy must sign an addendum provided by the department outlining the terms and conditions of the full service deputy's access to and use of the department's registration and titling system. Any contract or agreement, or renewal of the contract or agreement, between the county and the full service deputy that authorizes the full service deputy to provide registration and titling services in the county must specifically incorporate the addendum by reference, and the contract or agreement may not supersede or contradict any term within the addendum. An addendum described by this subsection is required for each location at which the full service deputy operates. The addendum must be incorporated into any agreement or contract between the full service deputy and the county beginning January 1, 2017. The county must provide the department a current copy of each contract or agreement, including any amendments, with a full service deputy within 60 days of execution.

RULE §217.167 Bonding Requirements

(a) A deputy appointed under this subchapter shall post a surety bond payable to the county tax assessor-collector.

(b) A deputy is required to post a single bond for a county in which the deputy performs titling, registration, or registration renewal services, regardless of the number of locations in that county from which that deputy may provide these services.

(c) A full service deputy or dealer deputy must post a bond in an amount between \$100,000 and \$5,000,000, as determined by the county tax assessor-collector.

(d) A limited service deputy must post a bond in an amount between \$2,500 and \$1,000,000, as determined by the county tax assessor-collector.

(e) A deputy that is an agency or subdivision of a governmental jurisdiction of the State of Texas is not required to post a bond pursuant to this section, unless the county

tax assessor-collector determines that a bond should be required in an amount consistent with subsection (d) of this section.

RULE §217.168 Deputy Fee Amounts

(a) Fees. A county tax assessor-collector may authorize a deputy to charge or retain the fee amounts prescribed by this section according to the type of deputy and transaction type.

(b) Title transactions. For each motor vehicle title transaction processed:

(1) A full service deputy may charge the customer a fee of up to \$20, as determined by the full service deputy and approved by the tax assessor-collector. The full service deputy retains the entire fee charged to the customer.

(2) A dealer deputy may charge the customer a fee of up to \$10, as determined by the dealer deputy and approved by the tax assessor-collector. The dealer deputy retains the entire fee charged to the customer. This section does not preclude a dealer deputy from charging a documentary fee authorized by Finance Code, §348.006.

(c) Registration and registration renewals. For each registration transaction processed:

(1) A full service deputy may:

(A) retain \$1 from the processing and handling fee established by §217.183 of this title (relating to Fee Amount); and

(B) charge a convenience fee of \$9, except as limited by §217.184 of this title (relating to Exclusions).

(2) A limited service deputy may retain \$1 from the processing and handling fee established by §217.183.

(d) Temporary permit transactions under Transportation Code, §502.094 or §502.095. For each temporary permit transaction processed by a full service deputy, the full service deputy may retain the entire processing and handling fee established by §217.183.

(e) Full service deputy convenience fee. The convenience fee authorized by this section is collected by the full service deputy directly from the customer and is in addition to the processing and handling fee established by §217.183. A full service deputy may not charge any additional fee for a registration or registration renewal transaction.

(f) Related transactions by a full service deputy. The limitations of subsections (b), (c), (d), and (e) of this section do not apply to other services that a full service deputy may perform that are related to titles or registrations, but are not transactions that must be performed through the department's automated vehicle registration and title system. Services that are not transactions performed through the department's automated vehicle registration and title system include, but are not limited to, the additional fees a full service deputy may charge for copying, faxing, or transporting documents

required to obtain or correct a motor vehicle title or registration. However, the additional fees that a full service deputy may charge for these other services may be limited by the terms of the county tax assessor-collector's authorization to act as deputy.

(g) Posting of fees. At each location where a full service deputy provides titling or registration services, the deputy must prominently post a list stating all fees charged for each service related to titling or registration. The fee list must specifically state each service, including the additional fee charged for that service, that is subject to subsections (b), (c), (d), or (e) of this section. The fee list must also state that each service subject to an additional fee under subsection (b), (c), (d), or (e) of this section may be obtained from the county tax assessor-collector without the additional fee. If the full service deputy maintains a website advertising or offering titling or registration services, the deputy must post the fee list described by this subsection on the website.

(h) Additional compensation. The fee amounts set forth in this section do not preclude or limit the ability of a county to provide additional compensation to a deputy out of county funds.
