Re.: CSJ No.: 0921-02-140
District #21-Pharr
Code Chart 64 #32600
Project: Owassa Road from Jackson Road to US 281
Federal Highway Administration CFDA #20.205

RECEIVED ON:
JUL 12 '18 PM 3:58

Dear Honorable Judge Garcia:

The City of Pharr is requesting the Hidalgo County reimbursement share of \$400,000.00 that was allocated through an "Interlocal Cooperation Agreement Project" which was signed and approved by the Hidalgo County Commissioners' Court on July 31, 2012 for the widening of West Owassa Road from Jackson Road to US 281 frontage road.

This project was let out for construction in 2017 by the Texas Department of Transportation and is currently in the final construction phase of been completed. The City of Pharr was the project sponsor and responsible for moving forward all design and construction phases involved in the project. At the time the "Interlocal Cooperation Agreement Project" was signed the Owassa Road Project Construction Cost was estimated at \$3,511,655.00. The current estimated cost is \$7,200,000 for all the phases involved in the complete construction of the project. Therefore, the City of Pharr is requesting the county share to cover the construction overruns that were based on a low estimate and unforeseen rising costs.

Again, we look forward in working with you and your staff and if you have any questions or comments, please feel free to contact Mr. Juan Guerra our City Manager at 956-402-4000 and he would respond immediately. Thank you very much for your cooperation in this matter.

Sincerely,

Dr. Ambrosio Hernandez Jr.
City of Pharr Mayor
